

### **Coronavirus Update**

Following advice from the Government on Sunday May 10<sup>th</sup> 2020, CITP Ltd have made the decision to commence training with immediate effect.

At CITP Ltd our prime importance is the health and wellbeing of our employees and the delegates that we train.

The Centre will be running in compliance with current and any future, government, and H&SE, recommendations, including social distancing and hygiene controls and temperature checks. Course numbers will be severely reduced to ensure individuals are able to easily comply with all control measures, and all necessary hygiene and PPE products will be provided.

We would also like to thank our exceptional staff who have worked so hard and kept a smile on their faces throughout these past weeks.

Further information and updates will be issued as the situation progresses.

Stay Safe.
